VENTILLA

Hnos. Echapresto

RESTAURANT

VENTILLA Hnos Echapresto is a restaurant with the soul of a traditional dining house. Nestled in the heart of Haro, we embrace a cuisine that is both genuine and approachable.

VENTILLA Hnos Echapresto is a tribute to Haro and to La Rioja, expressed through our own interpretation of their finest produce.

With the essence and character of Venta Moncalvillo,
VENTILLA Hnos Echapresto marks a return to the origins of our family home in Daroca de Rioja,
set within the incomparable surroundings of Hotel Palacio de los Ángeles.

Welcome to our home in Haro.
